DC Lead Disclosure Form

Information about Lead-Based Paint in this Property

Purpose: Inform potential renters and homebuyers of the presence of lead-based paint and related hazards in the property they are considering.

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can be a health hazard, especially for young children and pregnant women. Owners or managers of these properties must provide information about lead-based paint in the property that they want to rent or sell. DC requires the renter or buyer to have this information **before** they decide to rent or purchase the property.

This form does not replace the Federal Lead Disclosure form. DC law provides additional protections for the renter or purchaser. A DC Lead Disclosure form is not required for properties built in 1978 or later.
